The LOI must clearly identify the sender, including name, postal address, telephone number, fax number, and e-mail address. **It is the sender's responsibility to confirm the Department's receipt of the LOI.**

8. Inquiry Procedures. All questions regarding this RFP or the Department's procurement process must be directed, in writing, to the Official Contact before the deadline specified in the Procurement Schedule. **Questions submitted via e-mail must indicate in the e-mail subject line: RFP #2020-0122.** The early submission of questions is encouraged. However, the Department will not answer questions when the source is unknown (i.e., nuisance or anonymous questions). Questions deemed unrelated to the RFP or the procurement process will not be answered. At its discretion, the Department may or may not respond to questions received after the deadline. If this RFP requires a Letter of Intent, the Department reserves the right to answer questions only from those who have submitted such a letter. The Department may combine similar questions and give only one answer. All questions and answers will be compiled into a written amendment to this RFP. If any answer to any question constitutes a material change to the RFP, the question and answer will be placed at the beginning of the amendment and duly noted as such. The agency will release the answers to questions on the date(s) established in the Procurement Schedule. The Department will publish any and all amendments to this RFP on the State Contracting Portal and, if available, on the Department's RFP Web Page. At its discretion, the Department may distribute any amendments to this RFP to prospective proposers who submitted a Letter of Intent.

10. Proposal Due Date and Time. The Official Contact is the **only authorized recipient** of proposals submitted in response to this RFP. Proposals must be received by the Official Contact on or before the due date and time:

- Due Date: August 20, 2020
- Time: 3:00 p.m.

Faxed or email-only proposals will not be evaluated. When hand-delivering proposals by courier or in person, allow extra time due to building security procedures. The Department will not accept a postmark date as the basis for meeting the submission due date and time. Proposals received after the due date and time may be accepted by DPH as a clerical function, but late proposals will not be evaluated. At the discretion of the Department, late proposals may be destroyed or retained for pick up by the submitters.

An acceptable submission must include the following:

- one (1) original proposal;
- three (3) conforming copies of the original proposal; and
- one (1) conforming electronic copy of the original proposal email to the Official Contact.

The original proposal must carry original signatures and be clearly marked on the cover as "Original." Unsigned proposals will not be evaluated. The original proposal and each conforming copy of the proposal must be complete, properly formatted and outlined, and ready for evaluation by the Screening Committee. The electronic copy of the proposal must be compatible with **Microsoft Office Word 2013**. For the electronic copy, required forms and appendices may be scanned and submitted in Portable Document Format (PDF) or similar file format.

11. Multiple Proposals. The submission of multiple proposals is not an option with this procurement.

12. Declaration of Confidential Information. Proposers are advised that all materials associated with this procurement are subject to the terms of the Freedom of Information Act (FOIA), the Privacy Act, and all rules, regulations and interpretations resulting from them. If a proposer deems that certain information required by this RFP is confidential, the proposer must label such information as CONFIDENTIAL. In Section C of the proposal submission, the proposer must reference where the information labeled CONFIDENTIAL is located in the proposal. *EXAMPLE: Section G.1.a.* For each subsection so referenced, the proposer must provide a convincing explanation and rationale sufficient to justify an exemption of the information from release under the FOIA. The explanation and rationale must be stated in terms of (a) the prospective harm to the competitive position of the proposer that would result if the identified information were to be released and (b) the reasons why the information is legally exempt from release pursuant to C.G.S. § 1-210(b).

13. Conflict of Interest - Disclosure Statement. Proposers must include a disclosure statement concerning any current business relationships (within the last three (3) years) that pose a conflict of interest, as defined by C.G.S. § 1-85. A conflict of interest exists when a relationship exists between the proposer and a public official (including an elected official) or State employee that may interfere with fair competition or may be adverse to the interests of the State. The existence of a conflict of interest is not, in and of itself, evidence of wrongdoing. A conflict of interest may, however, become a legal matter if a proposer tries to influence, or succeeds in influencing, the outcome of an official decision for their personal or corporate benefit. The Department will determine whether any disclosed conflict of interest poses a substantial advantage to the proposer over the competition, decreases the overall competitiveness of this procurement, or is not in the best interests of the State. **In the absence of any conflict of interest, a proposer must affirm such in the disclosure statement. Example: "[name of proposer] has no current business relationship (within the last three (3) years) that poses a conflict of interest, as defined by C.G.S. § 1-85."**

Such a proposal may be accepted by DPH as a clerical function, but it will not be evaluated. At the discretion of the Department, such a proposal may be destroyed or retained for pick up by the submitters.

■ E. EVALUATION OF PROPOSALS

- 1. Evaluation Process.** It is the intent of the Department to conduct a comprehensive, fair, and impartial evaluation of proposals received in response to this RFP. When evaluating proposals, negotiating with successful proposers, and awarding contracts, the Department will conform with its written procedures for POS procurements (pursuant to C.G.S. § 4-217) and the State's Code of Ethics (pursuant to C.G.S. §§ 1-84 and 1-85).
- 2. Screening Committee.** The Department will designate a Screening Committee to evaluate proposals submitted in response to this RFP. The contents of all submitted proposals, including any confidential information, will be shared with the Screening Committee. Only proposals found to be responsive (that is, complying with all instructions and requirements described herein) will be reviewed, rated, and scored. Proposals that fail to comply with all instructions will be rejected without further consideration. Attempts by any proposer (or representative of any proposer) to contact or influence any member of the Screening Committee may result in disqualification of the proposer.

To be eligible for evaluation, proposals must (1) be received on or before the due date and time; (2) meet the Proposal Format requirements; (3) follow the required Proposal Outline; and (4) be complete. - 5. Proposer Selection.** Upon completing its evaluation of proposals, the Screening Committee will submit the rankings of all proposals to the Department head. The final selection of a successful proposer is at the discretion of the Department head. Any proposer selected will be so notified and awarded an opportunity to negotiate a contract with the Department. Such negotiations may, but will not automatically, result in a contract. Pursuant to Governor M. Jodi Rell's Executive Order No. 3, any

resulting contract will be posted on the State Contracting Portal. All unsuccessful proposers will be notified by e-mail or U.S. mail, at the Department's discretion, about the outcome of the evaluation and proposer selection process.

- 6. Contract Execution.** Any contract developed and executed as a result of this RFP is subject to the Department's contracting procedures, which may include approval by the Office of the Attorney General.

II. MANDATORY PROVISIONS

■ A. PERSONAL SERVICES AGREEMENT (PSA)

By submitting a proposal in response to this RFP, the proposer implicitly agrees to comply with the following applicable provisions:

A standard template for Personal Services Agreements is maintained by the Department and will include the scope of services, contract performance, reports, terms of payment, budget, and other program-specific provisions of any resulting PSA. The template also includes mandatory terms and conditions.

Note:

Included in the standard template is the State Elections Enforcement Commission's notice (pursuant to C.G.S. § 9-612(g)(2)) advising executive branch State contractors and prospective State contractors of the ban on campaign contributions and solicitations. If a proposer is awarded an opportunity to negotiate a contract with the Department and the resulting contract has an anticipated value in a calendar year of \$50,000 or more, or a combination or series of such agreements or contracts has an anticipated value of \$100,000 or more, the proposer must inform the proposer's principals of the contents of the SEEC notice.

The PSA may be amended by means of a written instrument signed by the Department, the selected proposer (contractor), and, if required, the Office of Policy and Management and the Attorney General's Office.

■ B. ASSURANCES

By submitting a proposal in response to this RFP, a proposer implicitly gives the following assurances:

- 1. Collusion.** The proposer represents and warrants that the proposer did not participate in any part of the RFP development process and had no knowledge of the specific contents of the RFP prior to its issuance. The proposer further represents and warrants that no agent, representative, or employee of the State participated directly in the preparation of the proposer's proposal. The proposer also represents and warrants that the submitted proposal is in all respects fair and is made without collusion or fraud.
- 2. State Officials and Employees.** The proposer certifies that no elected or appointed official or employee of the State has or will benefit financially or materially from any contract resulting from this RFP. The Department may terminate a resulting contract if it is determined that gratuities of any kind were either offered or received by any of the aforementioned officials or employees from the proposer, contractor, or its agents or employees.
- 3. Competitors.** The proposer assures that the submitted proposal is not made in connection with any competing organization or competitor submitting a separate proposal in response to this RFP. No attempt has been made, or will be made, by the proposer to induce any other organization or competitor to submit, or not submit, a proposal for the purpose of restricting competition. The proposer further assures that the proposed costs have been arrived at independently, without consultation, communication, or agreement with any other organization or

competitor for the purpose of restricting competition. Nor has the proposer knowingly disclosed the proposed costs on a prior basis, either directly or indirectly, to any other organization or competitor.

- 4. Validity of Proposal.** The proposer certifies that the proposal represents a valid and binding offer to provide services in accordance with the terms and provisions described in this RFP and any amendments or attachments hereto. The proposal shall remain valid for a period of 180 days after the submission due date and may be extended beyond that time by mutual agreement. At its sole discretion, the Department may include the proposal, by reference or otherwise, into any contract with the successful proposer.
- 5. Press Releases.** The proposer agrees to obtain prior written consent and approval of the Department for press releases that relate in any manner to this RFP or any resultant contract.

■ C. TERMS AND CONDITIONS

By submitting a proposal in response to this RFP, a proposer implicitly agrees to comply with the following terms and conditions:

- 1. Equal Opportunity and Affirmative Action.** The State is an Equal Opportunity and Affirmative Action employer and does not discriminate in its hiring, employment, or business practices. The State is committed to complying with the Americans with Disabilities Act of 1990 (ADA) and does not discriminate on the basis of disability in admission to, access to, or operation of its programs, services, or activities.
- 2. Preparation Expenses.** Neither the State nor the Department shall assume any liability for expenses incurred by a proposer in preparing, submitting, or clarifying any proposal submitted in response to this RFP.
- 3. Exclusion of Taxes.** The Department is exempt from the payment of excise and sales taxes imposed by the federal government and the State. Proposers are liable for any other applicable taxes.
- 4. Proposed Costs.** No cost submissions that are contingent upon a State action will be accepted. All proposed costs must be fixed through the entire term of the contract.
- 5. Changes to Proposal.** No additions or changes to the original proposal will be allowed after submission. While changes are not permitted, the Department may request and authorize proposers to submit written clarification of their proposals, in a manner or format prescribed by the Department, and at the proposer's expense.
- 6. Supplemental Information.** Supplemental information will not be considered after the deadline submission of proposals, unless specifically requested by the Department. The Department may ask a proposer to give demonstrations, interviews, oral presentations or further explanations to clarify information contained in a proposal. Any such demonstration, interview, or oral presentation will be at a time selected and in a place provided by the Department. At its sole discretion, the Department may limit the number of proposers invited to make such a demonstration, interview, or oral presentation and may limit the number of attendees per proposer.

- 7. Presentation of Supporting Evidence.** If requested by the Department, a proposer must be prepared to present evidence of experience, ability, data reporting capabilities, financial standing, or other information necessary to satisfactorily meet the requirements set forth or implied in this RFP. The Department may make onsite visits to an operational facility or facilities of a proposer to evaluate further the proposer's capability to perform the duties required by this RFP. At its discretion, the Department may also check or contact any reference provided by the proposer.
- 8. RFP Is Not An Offer.** Neither this RFP nor any subsequent discussions shall give rise to any commitment on the part of the State or the Department or confer any rights on any proposer unless and until a contract is fully executed by the necessary parties. The contract document will represent the entire agreement between the proposer and the Department and will supersede all prior negotiations, representations or agreements, alleged or made, between the parties. The State shall assume no liability for costs incurred by the proposer or for payment of services under the terms of the contract until the successful proposer is notified that the contract has been accepted and approved by the Department and, if required, by the Attorney General's Office.

■ D. RIGHTS RESERVED TO THE STATE

By submitting a proposal in response to this RFP, a proposer implicitly accepts that the following rights are reserved to the State:

- 1. Timing Sequence.** The timing and sequence of events associated with this RFP shall ultimately be determined by the Department.
- 2. Amending or Canceling RFP.** The Department reserves the right to amend or cancel this RFP on any date and at any time, if the Department deems it to be necessary, appropriate, or otherwise in the best interests of the State.
- 3. No Acceptable Proposals.** In the event that no acceptable proposals are submitted in response to this RFP, the Department may reopen the procurement process, if it is determined to be in the best interests of the State.
- 4. Award and Rejection of Proposals.** The Department reserves the right to award in part, to reject any and all proposals in whole or in part, for misrepresentation or if the proposal limits or modifies any of the terms, conditions, or specifications of this RFP. The Department may waive minor technical defects, irregularities, or omissions, if in its judgment the best interests of the State will be served. The Department reserves the right to reject the proposal of any proposer who submits a proposal after the submission date and time.
- 5. Sole Property of the State.** All proposals submitted in response to this RFP are to be the sole property of the State. Any product, whether acceptable or unacceptable, developed under a contract awarded as a result of this RFP shall be the sole property of the State, unless stated otherwise in this RFP or subsequent contract. The right to publish, distribute, or disseminate any and all information or reports, or part thereof, shall accrue to the State without recourse.
- 6. Contract Negotiation.** The Department reserves the right to negotiate or contract for all or any portion of the services contained in this RFP. The Department further reserves the right to contract with one or more proposer for such services. After

reviewing the scored criteria, the Department may seek Best and Final Offers (BFO) on cost from proposers. The Department may set parameters on any BFOs received.

- 7. Clerical Errors in Award.** The Department reserves the right to correct inaccurate awards resulting from its clerical errors. This may include, in extreme circumstances, revoking the awarding of a contract already made to a proposer and subsequently awarding the contract to another proposer. Such action on the part of the State shall not constitute a breach of contract on the part of the State since the contract with the initial proposer is deemed to be void *ab initio* and of no effect as if no contract ever existed between the State and the proposer.
- 8. Key Personnel.** When the Department is the sole funder of a purchased service, the Department reserves the right to approve any additions, deletions, or changes in key personnel, with the exception of key personnel who have terminated employment. The Department also reserves the right to approve replacements for key personnel who have terminated employment. The Department further reserves the right to require the removal and replacement of any of the proposer's key personnel who do not perform adequately, regardless of whether they were previously approved by the Department.

■ E. STATUTORY AND REGULATORY COMPLIANCE

By submitting a proposal in response to this RFP, the proposer implicitly agrees to comply with all applicable State and federal laws and regulations, including, but not limited to, the following:

- 1. Freedom of Information, C.G.S. § 1-210(b).** The Freedom of Information Act (FOIA) generally requires the disclosure of documents in the possession of the State upon request of any citizen, unless the content of the document falls within certain categories of exemption, as defined by C.G.S. § 1-210(b). Proposers are generally advised not to include in their proposals any confidential information. If the proposer indicates that certain documentation, as required by this RFP, is submitted in confidence, the State will endeavor to keep said information confidential to the extent permitted by law. The State has no obligation to initiate, prosecute, or defend any legal proceeding or to seek a protective order or other similar relief to prevent disclosure of any information pursuant to a FOIA request. The proposer has the burden of establishing the availability of any FOIA exemption in any proceeding where it is an issue. While a proposer may claim an exemption to the State's FOIA, the final administrative authority to release or exempt any or all material so identified rests with the State. In no event shall the State or any of its employees have any liability for disclosure of documents or information in the possession of the State and which the State or its employees believe(s) to be required pursuant to the FOIA or other requirements of law.
- 2. III. PROGRAM INFORMATION

■ A. DEPARTMENT OVERVIEW

The Connecticut Department of Public Health (DPH) is the state's leader in public health policy and advocacy. The agency is the center of a comprehensive network of public health services, and, is a partner to local health departments for which it provides advocacy, training and certification, technical assistance, consultation and oversight. The agency is a source of accurate, up-to-date health information to the Governor, the Legislature, the federal government and local communities. This information is used to monitor the health status of Connecticut's residents, set health priorities and evaluate the effectiveness of health initiatives. The agency is a regulator focused on health outcomes, maintaining a balance between assuring quality and administrative burden on personnel, facilities and programs regulated. The DPH is a leader on the national scene through direct input to federal agencies and the United States Congress.

The mission of the DPH is to protect and improve the health and safety of the people of Connecticut (CT) by:

- Assuring the conditions in which people can be healthy;
- Preventing disease, injury, and disability; and
- Promoting the equal enjoyment of the highest attainable standard of health, which is a human right and a priority of the state.

In March 2017, the CT DPH was awarded the Public Health Accreditation by Public Health Accreditation Board (PHAB). National accreditation provides standards that health departments can seek to meet in order to ensure that they are continuously improving as they work to keep their communities healthy. Our accreditation will drive the Department to continuously improve the quality of our public health practice and their performance.

The DPH is committed to the elimination of health inequities. Racial and ethnic minorities and Connecticut's disadvantaged residents experience health inequities and therefore do not have the same opportunities as other groups to achieve healthy outcomes.

Within the DPH Public Health Initiatives Branch is the Community, Family Health and Prevention Section (CFHPS) that works to improve the health of the overall population across the lifespan, especially mothers, infants, children, adolescents and other vulnerable groups, by establishing opportunities that support healthy living habits through education, early detection, access to care and chronic disease prevention. The CFHPS is comprised of six (6) program units including the Chronic Disease Unit which houses the Comprehensive Cancer Control Program (CCCP). The CCCP applies a public health framework to comprehensive cancer prevention and control by bringing together stakeholders (organizations that have an interest in keeping community members healthy) throughout Connecticut to create and implement a statewide cancer plan to people affected by cancer.

■ B. PROGRAM OVERVIEW

Background

Cancer is the second leading cause of death in Connecticut and the nation, with heart disease being the leading cause. Breast, prostate, lung, and colorectal are the four most common cancers diagnosed, while breast, lung, colorectal, and pancreatic cancers account for the majority of deaths attributed to cancer in Connecticut.

The Connecticut Tumor Registry (CTR) reports that 20,413 new cancers (10,030 cases among males and 10,383 cases among females) were diagnosed in Connecticut in 2015. The top three cancers diagnosed among men are prostate, lung, and bladder, while the top three cancers diagnosed among women are breast, lung, and colorectal. In 2015, 6,666 Connecticut residents died from cancer (3,365 deaths were males and 3,301 deaths were females). The top three cancers men died from were lung, prostate, and colorectal, while the top three cancers women died from were lung, breast, and colorectal.¹

The Centers For Disease Control and Prevention (CDC) defines comprehensive cancer control as an integrated and coordinated approach to reducing cancer incidence, morbidity, and mortality of cancer through prevention (primary prevention), early detection, treatment, rehabilitation, and palliation. Comprehensive cancer control is a collaborative and strategic approach used by communities and their partners to combine, share, and coordinate resources to reduce the burden of cancer. National and state (Connecticut) priorities include:

- Emphasize primary prevention of cancer
- Support early detection and treatment activities
- Address public health needs of cancer survivors
- Implement policy, systems, and environmental changes to guide sustainable cancer control
- Promote health equity as it relates to cancer control
- Demonstrate outcomes through evaluation

Comprehensive cancer control involves a systematic process that begins by mobilizing support among key stakeholders and organizations committed to cancer prevention and control. The process consists of:

- forming a statewide partnership;
- identifying state specific cancer issues;
- developing a plan that includes goals, objectives and strategies for improvement, as well as;
- evaluating progress in achieving goals and objectives.

Collaborative partners form the Connecticut Cancer Partnership (Partnership) which is a broad and diverse coalition of more than 150 key stakeholders representing all aspects of cancer prevention and control in Connecticut. The Partnership is responsible for coordinating a statewide comprehensive approach to cancer prevention and control through the development and implementation of the Connecticut Plan. The efforts of the Partnership have resulted in significant contributions in reducing cancer risks, detecting cancer earlier, improving access to treatment, and enhancing survivorship and end of life care for cancer patients and their families in Connecticut.

NOTIFICATION TO BIDDERS

The contract to be awarded is subject to contract compliance requirements mandated by Section 4-114a of the Connecticut General Statutes; and, when the awarding agency is the state, Section 46a-71(d) of the Connecticut General Statutes. There are Contract Compliance Regulations codified at Section 4-114a et. seq. of the Regulations of Connecticut State Agencies which establish a procedure for the awarding of all contracts covered by Sections 4-114a and 46a-71(d) of the Connecticut General Statutes.

According to Section 4-114a-3(9) of the Contract Compliance Regulations, every agency awarding a contract subject to the contract compliance requirements has an obligation to "aggressively solicit the participation of legitimate minority business enterprises as bidders, contractors, subcontractors and suppliers of materials." "Minority business enterprise" is defined in Section 4-114a of the Connecticut General Statutes as a business wherein fifty-one percent or more of the capital stock, or assets belong to a person or persons: "(1) who are active in the daily affairs of the enterprise; (2) who have the power to direct the management and policies of the enterprise; and (3) who are members of a minority, as such term is defined in subsection (a) of Section 32-9n." "Minority" groups are defined in Section 32-9n of the Connecticut General Statutes as "(1) Black Americans...(2) Hispanic Americans...(3) Women...(4) Asian Pacific Americans and Pacific Islanders; or (5) American Indians..." The above definitions apply to the contract compliance requirements by virtue of Section 4-114a-1 (10) of the Contract Compliance Regulations.

The awarding agency will consider the following factors when reviewing the bidder's qualifications under the contract compliance requirements:

- a) the bidder's success in implementing an affirmative action plan;
- b) the bidder's success in developing an apprenticeship program complying with Sections 46a-68-1 to 46a-68-17 of the Connecticut General Statutes, inclusive;
- c) the bidder's promise to develop and implement a successful affirmative action plan;
- d) the bidder's submission of EEO-1 data indicating the composition of it's work force is at or near parity when compared to the racial and sexual composition of the work force in the relevant labor market area; and
- e) the bidder's promise to set aside a portion of the contract for legitimate minority business enterprises. See Section 4-114a-3 (10) of the Contract Compliance Regulations.

INSTRUCTION: Bidder must sign acknowledgment form below and return signed page to Awarding Agency along with bid proposal. Please retain a copy for your files.

The Department is also required to establish and inform all employees, contractors, qualified providers and agents about the Department's policies and procedures for the detection and prevention of fraud, waste and abuse, the protection afforded to any person who reports an incident of a false claim to a regulatory body (e.g., Whistleblower Protection) and any civil or criminal penalties for false claims.

4.0 Compliance

4.1 False Claim Act

The FCA prohibits any person, firm, corporation or entity from knowingly presenting, or causing to be presented, a false claim or statement to a federally funded program, including Medicaid, or conspiring to defraud the federal government. Any person, company or entity that acts in deliberate ignorance of or with reckless disregard of the truth of such information is considered to have acted knowingly.

The civil penalty for violating the FCA is a fine of not less than \$5,000 and not more than \$10,000 per violation. The person, company or entity may also be fined an additional three times the amount of damages sustained by the federal government. The PFCRA also provides that any person or company that commits fraud by making a false statement or claim can be assessed a penalty of \$5,000 per false claim or statement in addition to the penalties available under the FCA.

A person may bring a civil action for violating the FCA on behalf of said person and the United States government. If the federal government proceeds with an action brought by such person then that person shall receive at least 15 percent but not more than 25 percent of the proceeds of the action or settlement. If the federal government does not proceed with the action and the person initiating the action proceeds, then the person bringing the action shall receive a reasonable amount, to be determined by the court, but not less than 25% and not more than 30% of the proceeds of the action or settlement.

The FCA prohibits retaliation by an employer against an employee for bringing a false claim action or participating in such action (Whistleblower Protection). Any employee subject to retaliation by an entity, contractor or agent shall be entitled to all relief necessary to make the employee whole, including but not limited to reinstatement, two times the amount of back pay, interest on back pay and special damages.

4.2 State False Claim Related Acts

Under Connecticut's Vendor Fraud statute it is illegal for a person on his own behalf or on the behalf of an entity, with intent, to fraudulently provide goods or services to a beneficiary or recipient under Title XIX or to fraudulently receive goods or services. Connecticut law also prohibits any vendor from fraudulently providing services or goods for any recipient of General Assistance. The State Whistleblower law provides any employee who reports a suspected violation of state or federal law with protection against retaliation by the employer. State law also prohibits any person, corporation, state or political subdivision from blacklisting any employee.
